

## **TOP OF 1,820GNS AT SUB-ZERO BRISTOL**

The sub-zero temperatures affected both the attendance of buyers and the resultant prices when cattle from the Haselormanor herd of David Goulbourne & Sons, Alcester, Warwickshire, were sold at the Bristol Sales Centre.

Top price was 1,820gns paid by K C & A M Godwin & Sons of Chippenham, Wiltshire, for a 2<sup>nd</sup> calver sired by Oversight Dictator which had given 9,471kgs as a heifer.

A brace of 1,800gns bids were made by Steve Waters & Sons of Redwick, Caldicot, Monmouthshire, for calved heifers. The first was for a Cogent Loader daughter giving 30kgs daily off a 10,299kgs dam, and the other by Cogent Jenkins was giving 38kgs daily, both had been calved 2 months and were off Lucente dams.

Averages:

60 cows and calved heifers £1,152.38

2 Jersey cross calved heifers £876.75

8 cows with udder defects £677.25
