

CHESHIRE COMMERCIAL HERD SELLS TO 1,350GNS

The dispersal sale of the commercially run herd of grazing type all year round calving Holstein Friesians for David Pym at Little Barrow, Chester, attracted a crowd of buyers from Cheshire and North Wales.

Top price was 1,350gns for an April calved heifer and back in-calf to one of the three stock bulls.

In-calf heifers peaked at 1,180gns for one due in November. Recently served heifers sold to 780gns and heifer calves sold to 400gns.

The machinery sold very well with a Terex Telehandler making £10,500 and the Keenan Feeder Wagon selling for £9,250.

Averages:

Milking cows and heifers £746

Served heifers £732

Maiden heifers £369

Heifer calves £189

Bulls £911
