30 Sold Auctioneer: Gwilym Richards Sale at 11 am

A smaller entry with all cattle being sold. Prices for cattle are easing in line with the lower prices for milk and especially so for those on the B quota.

Top price was £1,030 for a 3rd calver with other cows also selling to £990 for a 2nd calver.

Most of the cows sold over £800 but any with problems were heavily discounted.

Very few heifers forward with the best selling to £925.
