

## **BEWDLEY DAIRY CATTLE TO 1,150GNS**

Summer and autumn calving milkers met the best demand when Philip Thornycroft dispersed his Hightrees herd of Holstein Friesian dairy cattle near Bewdley, Worcestershire, with most of the cattle destined to new pastures in Wales.

Top price was 1,150gns for a 3 week calved 3<sup>rd</sup> calver sired by Galastar Bluesky with a 6 week calved 2<sup>nd</sup> calver selling for 1,100gns.

Close calving in-calf heifers sold to 940gns to a Somerset buyer, maiden heifers to 460gns and heifer calves to 400gns.

Averages:

Cows and heifers (with A lot heifer calves) £827

Served heifers £729

Maiden heifers £367

Heifer calves £261
