

## **FAWLEY HOLSTEIN FRIESIANS TO 1,550GNS**

Autumn calvers sold to 1,550gns at the dispersal sale of Nigel and Sally Green's herd of robotic milked Holstein Friesians at Fawley, near Hereford.

The top price was for a Foxberry MS McFly sired heifer due again in November to Alta Depot and was purchased by K & A Webb of Minsterworth, Gloucester.

The same buyers paid 1,500gns for an in-calf heifer sired by Wiltor Cruise and due in October to Alta Polish.

The top priced in-calf heifer at 1,520gns was another Wiltor Cruise daughter calving in October to Alta Polish, one of 19 purchased by a Carmarthenshire buyer.

The 4 DeLaval Robotic Milking Stations sold for £50,000 and the 15,000 litre Bulk Tank and Ice Builder sold for £10,200.

Machinery sold to £18,800 for the Merlo Telehandler (10 reg), £10,000 Deutz Fahr Tractor (58 reg), £3,200 Calf Veranda, £1,200 Calf Igloos, £420 Twin Calf Hutches and £280 Single Calf Hutches.
