

TRIO OF BUCKINGHAM HOLSTEIN FRIESIANS MAKE 2,000GNS

2,000gns was achieved on three occasions at the dispersal sale of the Cowleygreen herd of Holstein Friesians for Anthony King at Preston Bissett, Buckingham.

The first to reach 2,000gns was Cowleygreen Jordan Quincer, a Roylane Jordan daughter, due with her 3rd calf later in the month to Drinton Electrify. She had recorded 9,531kg 4.28%F 3.38%P with her 2nd calf. The buyer was A E Gray of Brinkworth, Chippenham, Wiltshire.

The same buyer paid 2,000gns for Cowleygreen Nite Felicia served by Robthom Allanite. She was due again in next month to Ballycairn Jefferson Troy having done 8,341kg 4.50%F 3.21%P as a 2nd calver.

The third 2,000gns price tag was paid by A G Morgan, Chepstow, Monmouthshire, for an in-calf heifer Cowleygreen Law Norah, a Cogent Lawrence daughter off a 9,694kg Etazon Leaf mother.

Youngstock met an electric trade with virtually all the bulling heifers making between 980gns and 1,020gns, yearlings (September 2007 born) reaching 980gns and heifer calves (April 2008) born to 610gns.

Averages:

21 in-calf heifers	£1,579.50
79 milking cows	£1,202.71
18 'A' lot heifer calves	£677.83
7 unwarranted cows	£378.00
22 bulling/maiden heifers	£1,010.86
6 heifer calves	£691.25
