

### **MACCLESFIELD COMMERCIAL HERD SELLS TO £2,100**

The dispersal sale of Steve and Linda Bloor's commercial herd of Holstein Friesians held on farm at Siddington, near Macclesfield, Cheshire, attracted a crowd of determined buyers particularly from Wales wanting large numbers.

Prices peaked at £2,100 for a September calved third calver.

August calved third calvers sold to £2,020 and July second calvers sold to £2,000.

Calved heifers peaked at £1,850. Fifth calvers sold to £1,700 and sixth calvers to £1,600.

Over half of the cattle were sold into Wales with one Carmarthenshire buyer taking 20 including most of the leading prices. Another Cardiganshire buyer took home 38 and a Wrexham buyer 62.

In-calf heifers sold to £1,400, bulling heifers to £920 and heifer calves £360.
