COWS TO £2,300 AND HEIFERS TO £2,200

After a very busy January selling 636 dairies through the Drayton dairy ring, today's trade reflected the quality of the cattle on offer.

The very best again sold well being about £100 back on the week but there was much more careful bidding on the others.

Cows sold to £2,300 for a second calver from Andrew Williams, Welshampton.

Heifers sold to £2,200 from Geoff and Sophie Morgan, Tewkesbury, with their other heifer selling for £2,100.

Liam Phillips, Llanymynech sold his heifer for £2,150. Melvyn and Mark Shepherd, Bakewell to £2,100. Robert Horton, Northwich £2,080 and £2,050. Josh Bailey, Whitchurch £2,010.

Jersey cross-bred in-calf heifers sold to £900 and heifer calves to £200.

The continued support of both regular and new sellers and buyers is very much appreciated. Every week there is something to suit all budgets at Drayton. Next week, the monthly show and sale is being reintroduced with prizes for the best calved heifer and best calved cow.

Averages:

Top 10 Calved Heifers £2,037

36 Heifers (all in) £1,560

55 Milkers (all in) £1,510
