98 Head entered with 100% clearance. Gold medals at the Commonwealth Games and today the vendors needed one as well for supplying real quality cattle today. What a trade! The dearest Youngstock sold for a considerable time.

NW & RW Boyd, Whitchurch sold 40 British Friesian heifers 6-8 months in calf from £1,600 to a top of £1,850 for a Deangate Quaich daughter calving in October and averaged a very close £1,700. Jerseys from the same good home sold to £1,260.

Crossbred Heifers, just served to a Hereford, reached £1,040 four times from Norman Brothers, Lyonshall.

A super run of 29 British Friesian Bulling Heifers from NW & RW Boyd, Whitchurch sold just as well as their incalf heifers generally selling from £880-£980.

Every month recently, we say the yearlings are the dearest cattle to be sold. Nothing has changed! 4 heifers from D Waring, Stafford sold from £1,000-£1,080, these were very well grown at 14 months. A great credit to him.

Less calves forward today but these reached £420 and just weaned calves to £240.
