£2,000 TOP FOR BRADLEY COMMERCIAL HERD

The dispersal sale of Robert and Susan Turner's commercial herd of Holstein Friesians held on farm at Bradley, near Stafford, attracted a crowd of keen buyers wanting large numbers.

Prices peaked at £2,000 for a heifer calved a month.

Second calvers calved in June sold to £1,950 and third calvers also calved in June sold to £1,900. The same price of £1,900 was also paid for newly calved fourth calvers.

Heifers dried off for calving again in September sold to £1,850.

In-calf heifers calving to the Aberdeen Angus stock bull in September and October sold to £1,700.

Averages:

244 milking cows and heifers (all in) £1,255

22 in-calf heifers £1,337
