

## **£2,050 TOP FOR WORCESTER MILKERS**

Prices peaked at £2,050 at the dispersal sale of the milking herd of commercial Holstein Friesian dairy cattle for the Newell family held on their farm near Worcester.

The top price of £2,050 was paid for a fortnight calved second calver which had given 9,133kgs as a heifer.

A third calver which had been calved for a month after giving 10,717kgs with her second calf sold for £2,000.

Early October calved fourth calvers sold to £1,950.

July calved heifers also sold to £1,950 and £1,900.

The sale was very well attended with many buyers from all over the Midlands and the Welsh Marches.

Averages:

100 milking cows and heifers £1,330

27 unwarranted cows £718

7 Served Heifers £1,160
