£2,300 DAIRY TOP

Low numbers as expected because of reluctance from regular vendors to present cattle for sale following a week when just short of a 1,000 head have been successfully sold by the Market Drayton Market dairy team. A HUGE thank you to all of our staff and the buyers for their tremendous support.

A few better quality heifers and cows forward this week with Lancashire vendors dominating today's top prices with D & E Monk, Ormskirk selling heifers at £2,300 and £2,020, and OC Partington, Lowton making £2,220 of his.

TG & DM Watchorn, Melton Mowbray sold heifers to £2,000 and topped the cow section with a fourth calver at £2,020.

RH Turner, Stafford twice sold heifers at £1,880 and AC Hocknell, Prees £1,780.

In calf heifers sold to £1,980 and heifer calves to £450.

Young Hereford stock bulls sold to £980 (13 months) and £820 (10 months).

Averages:

First quality Heifers £2,135

Second quality Heifers £1,847

First quality Cows £2,020

Second quality Cows £1,700

Many more cattle could have been easily sold today. Please get your entries in for next week before the weather dries up and everyone will be on the land!
